

We inspire and ignite the health of the Inland Empire

Vibrant Health Fundraising Cohort (2025 Summer)

Schedule of Classes*

Participants selected for the Vibrant Health Fundraising Cohort (2025 Summer) are expected to attend all classes in their entirety, as classes are not recorded and each class provides a foundation for the class to come. Participants are also encouraged to schedule (1) two-hour, individual coaching session with either Lisa Wright or Launa Wilson during September 17 – October 29. Upon completion of the class series, participants will receive a Certificate of Completion from IEHP Foundation and the fundraising coaches.

Participant Expectation: In order to meet the class attendance requirement, it must be the same person from the organization attending all classes and completing all homework assignments.

Time Commitment: Homework will be assigned for each class and it is anticipated that homework assignments will take approximately 2 hours to complete. In total, considering both homework and class time, participants should anticipate a commitment of approximately 4 hours per week from August – September 2025.

Class Location: The first 6 class sessions will take place at the IEHP Community Wellness Center in San Bernardino. The last class will take place at IEHP Center for Learning & Innovation in Rancho Cucamonga.

Failure to meet the attendance and engagement requirements may result in dismissal of the participant from the program.
